

F.O.B.

ROCK

HAIRCUT!

"You had sandwich I had chowfun.
You had a Pepsi, I had my green tea.
I know you may not understand
But not everyone eats milk and cookies.
Your parents were in the PTA
While my parents had to go to night school
You have a recess with games and grass,
While I was stuck in ESL Class..." - Eddie-Chan

Hailing from the gateway to San Francisco's peninsula, China Air is Daly City's new Ranch99 Rocking Electro-Heavy-Metal Supergroup! Much like Dave Grohl, of the Foo Fighters, Eddie Chan-Halen wrote and performed all the songs on "F.O.B. Rock Haircut" single handedly. Ripping apart Bowlcut stereotypes and bringing in brand new asiatic archetypes. This ESL Enhanced LP shows that, if nothing else, there is some really weird ass asian punk rock in the ((Yay)) Area Representing.

Make sure to check out The:

- (Track 5) The Grocery Rock Ska-Infused "Ranch99"
- (Track 3) The Brian Adams/DJ Sammy Love Salad "Heaven"
- (Track 2) The David Hasselhoff crapping Bootiie rockin "You're Big in Japan"
- (Track 1) The Electro-Rock-Car-Shock Anthem "And You Know This...."
