Casual
 (Hieroglyphics Oakland)

When it comes to battling, there aren't many cats out there that can touch Casual, the Hieroglyphics' executioner. Hailing from Oakland's Hieroglyphics family (Del tha Funkee Homosapien and Souls of Mischief), Casual combines clever punch lines with a hypnotizingly rhythmic cadence. Always raw and edgy, and never what you expect. Source Magazine named "Hiero's Third Eye Vision" one of the best independent releases of 1997.

Jahcoozi
 (Kitty-Yo/Asound)

Hailing from the Berlin club scene, JAHCOOZI is a bass heavy trio consisting of Londonborn Sri Lankan front woman Sasha Perera, and producers / multi instrumentalists: Robot Koch, the hardcore Berliner, and Israeli born Oren Gerlitz. Since the release of their debut album "Pure Breed Mongrel" in 2005, JAHCOOZI have built up a fanbase worldwide. Appointed Artist of the Month on NYC's MTV Desi, and loved from Dance Freaks all over the world for their Black Barbie Remix by Modeselektor, Jahcoozi is unstoppable! Check out Mochi's Dancehall -Glitch-Garage-Tech-Step banger with Sasha on this release.

Raashan
 (Crown City Rockers)

Know as the MC/front man of Oakland's all live Hip-Hop group Crown City Rockers, Raashan Ahmad is Emcee traditional and experimental in every sense. Equally versed in Beat Street and Moontribe Desert Raves, Raashan is a freestyling, beatboxing, glowsticking, dance-party machine. Check out "Ride On" featuring Raashan and Mike Boo on Microphonepet, an instant 2008 Summer (with the top down) Cruz Classic!

Dopestyle
 (KutMasterKurt)

Chester Smith aka Dopestyle has been freakin in the underground Hip-Hop scene ever since the days of Kool Keith. Best know for his work with Kut Master Kurt on Dopestyle1231, Dopestyle has worked prolifically for years on a variety of projects with a number of diverse musicians in the SF Bay area ranging from freaky electronics, down-tempo, to straight up performance art. "Dopestyle knows how to tell a twisted tale...lo-fi tech dirty vibes..." - Toph One / XLR8R

Eriksolo & Oonceoonce
 (Tigerbeat6/Plug Research/RCRD LBL)

Eriksolo is one half of the eclectic hip-hop group Meanest Man Contest and has released music through labels like Plug Research, Sneakmove, Gold Robot, and RCRD LBL. oonceoonce is the label manager for Tigerbeat6 and is a DJ, artist, youth media instructor, and event promoter.

RQM
 (Al Haca Soundsystem)

There are things in this world that are hard to define because they are liquid or like particles in quantum physics they change their position the moment you think you got them on lock - that's the nature of the crew known as Al Haca. 10 years ago Al Haca were a soundsystem collective that played everything from Dub, Punk through the various shades of Electronica around Germany.

215 The Freshest Kids

Hailing from GODUMBVILLE, CA & ATX, 215 The Freshest Kids have been all over the country and the music board. Know for their crazy Myspace hijacking, the Kids have working their Whimsical Club Rap with everyone from Chris De Luca & Phon.o, Dnae Beats, Robot Koch, to White Girl Lust. Check out their Club Hop Anthems "Vnecks" and "Rambunktion" dedicated to getting hyphy with official American Apparel action.
